Animals Are Smarter Than Jack 9 Jan 2006. Available in: Paperback. From the tiniest Yorkie to the majestic Newfoundland, dogs are incredibly bright creatures. This enchanting anthology, Dogs Are Smarter Than Jack: 91 Amazing True Dog Stories by Jenny Campbell, Lisa Richardson, is a delightful collection of true stories about dogs. The stories are submitted by people from all over the world, offering a unique insight into the world of canine companionship. These tales are not just about the dogs themselves, but also about the Special Connection they form with their owners.

The book is organized into sections, beginning with stories about dogs helping in times of crisis or trauma. These tales offer a glimpse into the incredible empathy and loyalty of our canine friends. Stories like these, such as the one about the dog who warned his owners of an impending fire, highlight the remarkable ability of dogs to sense danger.

The book also includes stories about dogs who saved their owners' lives. There are tales of dogs who found their owners when they were lost, and others who helped rescue others in need. These stories are a testament to the courage and empathy of dogs, and how they can make a real difference in the lives of those they love.

Another section of the book focuses on the role of dogs in our daily lives. These stories are about dogs who provide company, protection, and even therapy. These dogs bring joy and comfort to their owners, and their stories are a reminder of the many ways in which dogs can enrich our lives.

The book also includes stories about dogs who have inspired awe and wonder. These tales are about dogs who have achieved incredible feats, such as saving lives through their amazing senses, or working as service dogs. These stories are a testament to the intelligence and hard work of our canine companions.

Overall, Dogs Are Smarter Than Jack is a wonderful collection of true stories about the amazing dogs in our lives. It is a reminder of the remarkable abilities of dogs and the Special Connection they form with their owners. This book is a must-read for anyone who loves dogs and the incredible stories they inspire.
