In Foreign Fields: The Politics and Experiences Of Transnational Sport Migration

Thomas F. Carter

In Foreign Fields: The Politics and Experiences of Transnational Sport Migration, Thomas F. Carter is published by Pluto Press. In Foreign Fields: The Politics and Experiences of Transnational Sport Migration examines the lives, decisions and challenges faced by transnational sport migrants. This book explores how athletes navigate between different countries and cultures, and the implications of these movements on society and the sport industry. The book is available in various formats including print, electronic, and audio versions.
