On Becoming Cuban: Identity, Nationality, and Culture

Louis A. Perez

On Becoming Cuban: Identity, Nationality, and Culture - Google Books Result
With this masterful work, Louis A. Perez Jr. will transform the way we view Cuba and its relationship with the United States. On Becoming Cuban is a sweeping account of the unique and complex history of Cuba and its relationship with the United States. In his seminal text, Perez examines the history of Cuba, from the early 19th century to the present day, and explores the ways in which Cuban identity, nationality, and culture have been shaped by the United States. Perez argues that the relationship between Cuba and the United States has been characterized by a series of conflicts and contradictions, and that this relationship has had a profound impact on Cuban identity and culture. Through a rich array of historical evidence and cultural analysis, Perez demonstrates the importance of understanding the complex relationship between Cuba and the United States in order to fully appreciate Cuban identity and culture.
