The Luckiest One Of All

Bill Peet

The most durable baseball player of all time - has been forced to retire from the game of baseball. He left his mark on the game, both on and off the field. Lou Gehrig, known as the “Iron Horse,” was beloved by fans and teammates alike for his determination and stellar performance on the field. However, it was his courage and resilience in the face of adversity that truly made him the luckiest man on the face of the earth. Gehrig was diagnosed with ALS (Lou Gehrig's disease) in 1939, a disease that would eventually claim his life. Despite the challenges he faced, Gehrig continued to play baseball with grace and dignity, inspiring generations of athletes with his unwavering spirit. His legacy lives on through his record-setting performances and his selfless contributions to the game he loved.
